MISSION

21st TSC will develop and execute a Winter Safety Campaign from 1 October 2004 through 30 April 2005 in order to increase the Safety of 21st TSC personnel during European Winter operations and meet the USAREUR CG's Winter Safety Campaign objectives.

COMMANDERS' INTENT

- Ensure all Soldiers / civilians are fully aware / briefed on all aspects of WSC
- Emphasize the challenges we will face in upcoming redeployment / deployment window
- Execute Winter Safety Campaign to standard as specified in OPORD 04-103
- Operationalize WSC - Track in G3 channels
  - G1 reports status in weekly BUB
- No loss of life / serious injury / or major accident during WSC period
